## GROWTH OF FAYETTEVILLE STATE NORMAL SCHOOL

Nothing will show the desirability of selecting this institution in which to do either summer school work or to pursue the studies of the regular session, than to give the bare figures showing how the school has developed by leaps and bounds within the past few years. High school graduates are choosing Fayetteville State Normal in increasing numbers because they find here a comfortable and satisfying school life, and opportunities to develop themselves to the fullest in the art of teaching. The figures given below prove this beyond the shadow of a doubt, even though the economic depression brought about a slight reduction in the enrollment of this institution along with other colleges in the State.

Money for school expenses should be sent, NOT to the student, but to President E. E. Smith, State Normal School, Fayetteville, N. C., in the form of a money order or certified check (cashier's check.)

### WHAT TO BRING

Students furnish their own bedding, hence should bring with them quilts, blankets, sheets, spreads, pillows, pillowcases, and bureau scarfs. To this list should be added rubber overshoes, raincoats, or umbrellas. Each article of clothing should be marked with the owner's name in indelible ink. If the prospective student owns a dictionary he should by all means bring it along.

### NEW BUILDINGS

Two handsome new buildings have recently been erected at a combined cost of \$135,000. One is a dormitory for girls, beautiful in design and modern in construction. Here the young ladies have every facility for a healthy, happy, and efficient home life. The other building is a training or practice school, in which the Normal students engage in observation and practice teaching. It has 18 classrooms, library, auditorium-gymnasium, cafeteria, teachers' rest room, with a large and well-equipped playground adjacent. In this building are demonstrated the very best practices in elementary school procedures.

These two structures meet a long-felt need, and enable the Fayetteville State Normal School to increase immeasurably the value of its services in the educating of capable teachers for the colored elementary schools of North Carolina. The dormitory is named in honor of Dr. J. Y. Joyner, one of the most progressive superintendents of public instruction this state has ever had. The training school bears the name of Dr. N. C. Newbold, State Director of Negro Education, known throughout the country for the marvelous results he has brought about in the field of education of colored youth.

## STATE NORMAL SCHOOL

Extra-curricular activities consist of clubs, such as the Fine Arts, the Science Club, the Dramatic Club, the Collegiate Gingersnaps, Glee Clubs, Quartettes, the Student Forum, the school paper—the State Normal School Review—and other organizations and activities. Each class renders a drama annually. During the past school year the Junior Class gave Shakespeare's Merchant of Venice, and the Senior Class rendered the Greek play, Pygmalion and Galatea.

Fayetteville State Normal has active religious organizations, and holds before the students continually the highest Christian ideals. Sunday School, Vespers, the Y. W. C. A., and the Y. M. C. A. are enthusiastically supported by the students. The week of prayer is one of the high water marks of the school year. Every effort is made to see that the life of the student is wholesome in every respect.

### ADMISSION REQUIREMENTS

Each applicant must be a graduate of an approved high school in North Carolina, or of a high school outside the State rated as equivalent, must be recommended by his or her former principal as a fit candidate for the teaching profession, and must present evidence of having satisfactorily completed at least fifteen (15) units of secondary work.

Every applicant for admission must present a physician's certificate testifying that he or she is in good health, and is free from all physical defects that would unfit him or her for teaching.

### GRADUATION REQUIREMENTS

Graduation is based upon the satisfactory completion of either the Primary or Grammar Grade Curriculum. The requirements are measured in terms of quarter-hours, ninety-six (96) quarter hours being the minimum requirement for graduation. A quarter-hour is a recitation to which full credit is given, occurring once a week for a period of twelve weeks. A minimum of sixteen (16) quarter-hours' credit should be earned each quarter.

IN ADDITION, BEFORE A STUDENT IS RECOMMENDED FOR GRADUATION, HIS RECORD MUST SHOW THAT

## STATE NORMAL SCHOOL

MORE THAN ONE-HALF OF HIS CREDITS ARE ABOVE THE LOWEST PASSING GRADE—D—, AND THAT HIS MORAL CHARACTER WARRANTS THE INSTITUTION'S RECOMMENDING HIM TO THE STATE DEPARTMENT AS A SUITABLE PERSON TO RECEIVE A TEACHER'S CERTIFICATE.

### DIPLOMA AND CERTIFICATE

Upon graduation, a Diploma will be awarded. Furthermore, upon the basis of graduation the State Department of Public Instruction will issue a Primary or Grammar Grade Certificate Class B, in accordance with the particular curriculum completed.
